PO Box 305

Dear Mr. McVickar:

This letter is in follow up to our June 17, 1998 telephone conversation. Enclosed please find copies of the documents you provided to the Review Board from your personal papers. As we agreed, photocopies from your personal Department of State records and the originals of affidavits you provided to the Board will be included in your interview file here at the Review Board and be transmitted with our records to the National Archives and Records Administration at College Park, Maryland for inclusion in the JFK Collection after October 1998. The Board retained your copies of the following records: Office of Security file, Administrative Complaint to the Department of State and related correspondence, November 1976 Petition to Congress, and copies of Privacy Act requests.

We are returning the copies of your Department of State Medical Records from 1961-1968.

We appreciate the donation of your personal papers to the Board and the JFK Collection and your help in clarifying the historical record. Should you have any questions or come across any information which may be of help, please do not hesitate to contact me by calling (collect). Thank you again for your assistance.

Sincerely,

K. Michelle Combs
