To: T. Jeremy Gunn

From: Noelle C. Gray

Subject: Airfare to Nassau, Bahamas

I spoke with Carol at Rosenbluth Travel. She informed me that the cheapest government rate for a round trip airline ticket from Washington, D.C. to Nassau, Bahamas was \$456.00 plus tax (approximately \$470.00).

In addition, she informed me that she could not provide this information in writing until the trip was booked.
