Re: Status of the Parole Commission's Compliance with the JFK Assassination Records
Collection Act, 44 U.S.C. § 2107

Dear Mr. Reilly:

I am writing in regard to the Parole Commission's compliance with The President John F. Kennedy Assassination Records Collection Act, 44 U.S.C. § 2107 (JFK Act) (copy enclosed). Under the JFK Act, all federal government offices -- including the Parole Commission -- are required to: (a) identify all of their records related to the assassination of President Kennedy, (b) review the records for the purpose of declassifying them under the standards specified in the JFK Act, (c) prepare electronic identification aids, and (d) send the records to the National Archives.

The Assassination Records Review Board, a panel appointed by the President and confirmed by the Senate, is responsible for overseeing governmental compliance with the JFK Act. Today the Review Board is promulgating in the *Federal Register* a regulation that defines "assassination record" for the purposes of the JFK Act (a copy of this regulation is enclosed). This regulation should help provide guidance to governmental offices in their search for assassination records. Members of our professional staff -- who have received all of the appropriate security clearances -- are also available to assist you and your staff in this process.

I am now seeking to learn which officials at the Parole Commission are responsible for supervising the process of identifying and reviewing assassination records. For your convenience, I am enclosing our "JFK Records Contacts" form on which you may identify the names, titles, relevant responsibilities, and telephone and fax numbers of all persons at the Parole Commission with whom you would like us to be in contact regarding the Parole Commission's compliance with the law. I am particularly

Telephone: (202) 724-0088 ■ Facsimile: (202) 724-0457

interested in your identifying the person responsible for preparing your electronic identification aids.

We look forward to working with the Parole Commission to further the important objectives of the JFK Act. Please feel free to contact me if I can be of any assistance.

Sincerely yours,

David G. Marwell
Executive Director
