Re: Assassination Records Review Board Subpoena Request No. 19  
(Lawrence Schiller) Under the JFK Assassination Records  
Collection Act, 44 U.S.C. § 2107

---

Dear Mr. Assistant Attorney General:

Pursuant to the President John F. Kennedy Assassination Records Collection Act of 1992, 44 U.S.C. § 2107, ("JFK Act"), the Assassinations Records Review Board ("Review Board") requests that the Department of Justice issue a *subpoena duces tecum* to:

Mr. Lawrence Schiller  
P.O. Box 56056  
Sherman Oaks, CA 91413

Mr. Schiller assisted Norman Mailer in connection with the research and writing of *Oswald's Tale*, a book about Lee Harvey Oswald that describes in detail his residence in the Soviet Union from 1959 to 1962. In connection with research for the book, Messrs. Schiller and Mailer apparently obtained access to Soviet-era documents regarding Lee and Marina Oswald. These materials include documents relating to the KGB's surveillance of Lee Harvey Oswald while he lived in the Soviet Union.<sup>1</sup>

---

<sup>1</sup> The jacket to Mr. Mailer's book states that the author "was given exclusive access to the KGB files on Oswald, including transcripts of conversations overheard in the [Minsk] apartment that Lee shared with his Russian wife, Marina." The book itself does not give any further information regarding the circumstances for obtaining these materials, nor does it provide any information as to

---

the volume or identity of these files. However, the book purports to quote from KGB reports, observations, chronologies, and transcripts.

These documents are unquestionably of historical importance. They record Oswald's activities and conversations during his two-year stay in the Soviet Union and, as such, provide further insight into who Oswald was and what he did prior to the assassination of President Kennedy. These records were never seen by the Warren Commission, the Church Committee, or the House Select Committee on Assassinations. These records have never been seen by the public, although they are relied upon, and extensively quoted, in *Oswald's Tale*.

This subpoena is being sought as a last resort. Through the State Department, we have made diplomatic efforts to obtain these records from the Governments of Russia and Belarus, but have been unsuccessful to date. Unable to obtain the records from these Governments, we contacted Mr. Schiller to obtain copies of these records (it is our understanding that Mr. Schiller has the only copy of these records in the United States). Mr. Schiller declined to make these records available for our inspection and copying. Hence, we seek to issue this subpoena, which is limited to information and records from the former Soviet Union.

Obtaining copies of these records for public disclosure at the National Archives is clearly in the public interest. Accordingly, the subpoena seeks production of this material by Mr. Schiller so that it can be copied and made available to the public. The subpoena also seeks Mr. Schiller's testimony to authenticate the records as having been obtained from the Russian and Belarusian Governments. The date set for the production of these records, and for Mr. Schiller's appearance, is April 21, 1998 at the offices of the United States Attorney in Los Angeles, California.

Please do not hesitate to contact me if I may be of any further assistance.

Sincerely,

T. Jeremy Gunn  
Executive Director
