Duluth, Minnesota 55812-2496

Dear Jim:

I am writing in response to your letters and statements regarding the purportedly missing Tippit autopsy material. We have made inquiries and have learned that the photographs are still in the collection and are not missing.

NARA prepared a brief memorandum with supporting documentation, which I am enclosing, that explains the circumstances of your visit and the location of the photos.

Sincerely,

T. Jeremy Gunn
Executive Director
