Dear Nicki and Daniel:

Thank you for your telephone call on Wednesday to discuss whether there are avenues of settlement for this case. We continue to be open to suggestions to resolve this matter and we appreciate your taking the lead in beginning discussions.

As I agreed, I am enclosing herewith the CV of our former Executive Director, David Marwell, as well as some additional information he provided regarding the Holocaust Museum.

I am also sending you some documents that I mentioned in our call and that Nicki asked be forwarded to you. They refer to contacts that Herbert J. Miller had with the CIA, wherein he offers to convey information to the CIA that Walter Sheridan acquired during the course of the latter's work on the investigation of Garrison. These documents are not a part of our agency's records. We located them in the National Archives, where they are available to the public. We hope that you will find them to be of interest.

Sincerely,

T. Jeremy Gunn
Executive Director
