National Security Council
Old Executive Office Building, Room 392

Dear Bill:

As I mentioned to you by phone, it has been a pleasure to work with you during the past few years. We have appreciated your wisdom and timely interventions.

I am enclosing the resumes of staff members who are interested in working at NSC. They have Top Secret/SCI clearances. I can also add that I have worked with them and can recommend them highly to you. Please do not hesitate to contact me at home (703-481-8196) if it would be helpful to have a candid evaluation of their qualifications.

I hope that our paths cross again before too long.

With best wishes,

T. Jeremy Gunn
Executive Director
