Dear Professor Paterson:

I left a phone message for you at your home a few minutes ago letting you know that we would be sending a package of documents to you today. The records come from the Joseph Califano records at the Department of Defense, and pertain principally to U.S. military planning and projects related to Cuba.

If you have any questions, do not hesitate to contact Tom Samoluk, the Deputy Director of the Review Board.

Best wishes,

T. Jeremy Gunn
Executive Director
