Dr. William Z. Slaney  
The Historian  
Bureau of Public Affairs  
U.S. Department of State  
Washington, D.C. 20520

Dear Dr. Slaney:

I am writing to forward to you the resume of one additional analyst who would be very interested in pursuing the possibility of working for the Holocaust Assets Commission. As with the candidates whose resumes I forwarded recently, Ben Rockwell has Top Secret/SCI clearances and is well acquainted with issues relating to historical records.

I thought I might also let you know that I have recently accepted the Executive Fellowship position established by the United States Institute of Peace. As a part of the Fellowship, I will begin working next month at DRL (Bureau of Democracy, Human Rights, and Labor) at State on issues related to religious freedom abroad. Although I will no longer be at the Review Board, I remain keenly interested in assisting staff members in obtaining new positions. I would very much like to speak with you or others about the names I have forwarded and provide you with a candid assessment of persons in whom you might be interested.

Please do not hesitate to contact me at home (703-481-8196) if I could be of any assistance.

Sincerely,

T. Jeremy Gunn  
Executive Director and  
General Counsel
