Dear Mr. Wolf:

I am writing to express our appreciation to USAIRWAYS for the generous assistance it provided to the Review Board, which is an independent agency of the federal government.

Last month the Review Board needed to make arrangements for the transportation from New Orleans to Washington, D.C. of sensitive records related to the assassination of President Kennedy. We contacted US AIRWAYS to seek its assistance regarding security and the special handling of several boxes of records. We could not have been more impressed by the courtesy and professionalism that was shown to us by the personnel of your company both in New Orleans and Washington.

I particularly wish to note our appreciation to Mr. Jerry Mitchell, the New Orleans Station Manager, Mr. Dave Nichols and Ms. Alice Roberts at National Airport, and the crew of the June 2 Flight 2194. We could not have been more impressed with the quality of the assistance and the professionalism demonstrated by all of these people.

Sincerely,

T. Jeremy Gunn  
Executive Director
