Mr. Elmer Tippet  
Vice President for Public Safety  
Washington National Airport  
Washington, D.C. 20001

Dear Mr. Tippet:

I am writing to extend our appreciation for your assistance.

On June 2, we needed to transport several boxes of important documents related to the assassination of President John F. Kennedy from New Orleans to Washington, D.C. I want to particularly thank Sergeant Cornett, who made the arrangements, and Officer Vogel, who escorted me at the airport, for their invaluable assistance.

Sincerely,

T. Jeremy Gunn  
Executive Director
