Dear Hugh:

Thank you so much for your kind words of May 11 regarding your work here at the Assassination Records Review Board. However, we feel that it is we who have to thank you for your contributions in helping us to fulfill our mission. Our entire staff considered it our pleasure to have you here, especially those who worked most closely with you.

Thanks again. Should you visit Washington before we close down in September, we would be happy to have you drop by.

Sincerely,

T. Jeremy Gunn
Executive Director
