

**Assassination Records Review Board
Notation Voting Form II
Withdrawal of NSA Documents
November 28, 1997**

This notation voting form is being distributed to each Member of the Assassination Records Review Board. The Members of the Board are requested to vote on and sign this form. In accordance with the terms of the Sunshine Act, the Members of the Board must not, while in a group of three or more Members, "deliberate" on the advisability of adopting the proposed Withdrawal of NSA Documents.

At the November meeting, the Board voted to make an interim release of seven NSA documents that contain Air Force equities. The Board voted to release the NSA information, but to postpone release of the Air Force equities until the Air Force has the opportunity to review the records and provide evidence. Because this two-stage voting and release will present unanticipated difficulties, the staff recommends that the votes on these seven records be withdrawn until after the Air Force is provided a full opportunity to review the records (currently scheduled for early December).

Voting for withdrawal does not prejudice in any way the Board's final determination on the Air Force postponements. The remainder of the NSA records will be released in accordance with the Board's votes.
