

MEMORANDUM

TO: File

FROM: Ronald G. Haron

DATE: September 18, 1998

SUBJECT: Deposition of Parkland Hospital Doctors

Enclosed are the transcripts and audio recordings of the August 27, 1998 deposition of the Parkland Hospital doctors who treated President Kennedy on the day of the assassination. This file specifically contains:

1. an original and copy of the August 27 transcript;
2. a condensed copy of the transcript;
3. an ASCII disk of the transcript; and
4. two cassette tapes consisting of the audio recording of the deposition.

As of this date, the five witnesses were sent copies of their transcript to review for transcription errors and to sign. The doctors have been asked to submit their executed errata sheets to the National Archives.
