

MEMORANDUM

Michelle Combs
Pike Committee File

FROM: Ronald G. Haron

DATE: December 12, 1997

SUBJECT: Pike Committee/House Select Committee on Intelligence

On December 12, 1997, I spoke with Mike Sheehy, Minority Counsel for the House Permanent Select Committee (202-225-7690), to resolve a number of outstanding issues regarding Pike Committee records placed in the JFK Collection. The two issues are: (1) whether redactions were unilaterally made to assassination records without Review Board approval and (2) how the records were selected, including whether there is a general index to Pike Committee records that we could review to verify that all assassination records were captured in the search.
