Re: Public Release of Church Committee Testimony of Walter Sheridan

Dear Melanie:

We are attempting to release, under the JFK Act, Walter Sheridan's testimony before the Church Committee.

The FBI has authorized release of this testimony in full. Because Mr. Sheridan was Special Consultant to Attorney General Robert Kennedy, we are submitting this testimony to your office for review under the JFK Act.

Accordingly, please review this transcript and, if there is no objection, please authorize release in full. Thank you for your attention to this matter.

Sincerely,

Ronald G. Haron
