Re: JFK Act/Sixth Floor Museum

Dear Steve:

Enclosed are four originals of an agreement executed by the Review Board and the Sixth Floor Museum in Dallas regarding transmission of copies of certain records of the Museum to the JFK Collection. The agreement was previously approved by the Office of General Counsel at NARA.

Please have the Archivist sign the four originals, and then return two of the originals to the Sixth Floor Museum (a pre-addressed FedEx envelope is enclosed) and one to the Review Board.

Once the Museum receives the fully executed agreement, the Museum will transmit the materials for the JFK Collection.

Sincerely,

Ronald G. Haron
General Counsel
