Dear Mrs. Boyd:

It was a pleasure to speak with you recently about your late husband's association with the U.S. Army's 112th Military Intelligence Group. I have enclosed a copy of our legislation and some explanatory material about the Assassination Records Review Board. As you review this material, it will become clear that the Review Board is interested in any organization or individual that might be a source of assassination-related records.

Either a member of our Military Records Team or I will contact you in the near future. In the meantime, please feel free to contact me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
Investigator
