Dear Mr. Busbice:

My sincere thanks to you once again for the welcome everyone at the archives gave me a week ago Tuesday. At that time you offered to continue to assist the Review Board further if needed. Although I didn't think I'd be asking for your willing and cooperative assistance once again so soon, I find that I am.

One of my colleagues located references to several more court cases from Orleans Parish Civil District Court and Criminal District Court for which we would like the files. Once again, our legislation expresses a clear preference for original records. If originals are not available, we would like photocopies, please. The cases are:

- 1) *State of Louisiana v. Dean A. Andrews, Jr.*, No. 198-483, Section G, Criminal District Court, Parish of Orleans. Mr. Andrews was represented by Sam Monk Zelden, Esq.
- 2) *State of Louisiana v. Walter Sheridan* No. 199-944, filed sometime between July 7, 1967, and December 1, 1967. The records my colleague found indicate the case was filed in **Civil** District court although it appears to be a criminal case. I mention this in the event it makes a difference in your archival system.
- 3) *State of Louisiana v. Rick (Richard) Townley* Nos. 199-177, 199-978, and 199-979, all filed sometime before December 1967. The records my colleague found indicate the case was filed in **Civil** District court although it appears to be a criminal case. I mention this in the event it makes a difference in your archival system.

I do not expect to be in Louisiana again in the foreseeable future; however, if you could locate the files, I would be happy to send you pre-paid Federal Express shipping labels that will get the records directly to us at our expense. Please feel free to call me at ext. 229 if you have any questions about this request. On behalf of the Review Board I'd like to express our sincere thanks for your ongoing cooperation and assistance.

Sincerely,

Anne Buttimer, Esq.
