Dear Mrs. Carr:

In connection with our recent conversation about your activities as part of the deed-of-gift inventory process associated with the transfer of President Kennedy's autopsy photographs and x-rays from the Kennedy family to the National Archives in the autumn of 1966, I am enclosing a copy of our legislation and some explanatory material.

As I mentioned, we are interested in any relevant information or records you might have. I appreciate your desire to assist the Review Board's efforts and ask that you please visit our offices at 10 a.m. on November 26, 1996, so that our staff may ask questions. I will contact you within one week to ensure that this date is convenient for you and that I might provide directions. In the meantime, please feel free to call me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
Senior Investigator
