Dear Mr. Doyle:

In connection with our recent conversation about the Kennedy assassination and your film, I am enclosing a copy of our legislation & some explanatory material. I am also enclosing two signed originals and one photocopy of the Deed of Gift for the historical materials that you will be donating to the JFK Collection housed at the National Archives.

Please sign both originals and return them to our office in the enclosed envelope. We will return to you one of the signed originals after we receive all signatures. You may keep the photocopy for your records. Please carefully review the Deed of Gift before you sign and do not hesitate to call if you have any questions or concerns. We appreciate your decision to make this generous donation to the JFK Collection.

As we discussed, your donation will include:

- a. One 8mm film that purports to show Lee Harvey Oswald in New Orleans in the summer of 1963;
- b. Still photos made from your 8mm film
- c. Documents concerning the FBI's interest in your film

Once again, I thank you for your assistance in the Review Board's efforts. I will contact you in the near future to discuss a method for transferring your material to the Collection. In the meantime, please feel free to call me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
Senior Investigator
