Dear Mr. Evica:

Thank you again for taking the time to speak with me by telephone last Thursday concerning your research into the planning and background work for the Dallas trip and motorcade. I'm in the process of trying to get Vincent Palamara's book as well, and will share the book and your memo with my colleagues in the Research and Analysis component of the Review as soon as you have a chance to send the memo to us.

If you develop any other motorcade-related research, please contact me to share it as I am looking for assassination-related records in federal and non-federal sources and certainly appreciate the assistance and cooperation of members of the research community, such as yourself, in this search.

Thank you again and I look forward to speaking with you again.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
