Dear Mr. Evica:

I am writing to follow up on our telephone conversation of late July, at which time we discussed, among other topics, the extensive research you've conducted of the preparation for the Dallas motorcade of November 22, 1963. I understood from our conversation that you would provide us with a photocopy of your notes and writings on this topic in order that the ARRB may use this information to develop additional sources of assassination records.

To date I have not received any of these materials from you. Will you please send us this information at your earliest convenience?

Thank you for your reply and for your interest in assisting the Review Board with our search for assassination records. I look forward to speaking with you again soon.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
