Dear Mr. Fox:

In connection with our conversation about your father James K. Fox, his activities as a member of the United States Secret Service and association with the events surrounding the autopsy of President Kennedy, I am enclosing some explanatory material.

As I mentioned, we are interested in any relevant information or records you might have. I appreciate your desire to assist the Review Board's efforts and ask that if convenient, we arrange to meet so that our staff may discuss this issue further. Please call me at ext. 258 in order to arrange convenient date for you and answer any questions about this material.

Sincerely,

David R. Montague  
Senior Investigator
