Dear Dr. Garrow:

We met briefly at the Expert's Conference on May 16. I am the Board's Chief Investigator; as such, it is my responsibility to identify and locate non-federal sources of assassination records.

I am beginning to look at the ACP as a source of assassination records, especially in view of information released from the SOLO files. David Marwell suggested I contact you regarding your knowledge of "Who's Who" in the American Communist Party (ACP). I would like to speak with you by telephone at your earliest convenience to get your suggestions on whom within the ACP we should contact for information on assassination-related records.

Will you please call me when you've had a chance to gather your thoughts on this topic? I will call you back in order that we conduct the interview at our expense.

I look forward to speaking with you soon. Thank you for your continuing cooperation and assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
