Dear Ms. Godfrey:

Thank you for your message last night canceling our appointment today. I hope the emergency was not major and will be quickly resolved, although it sounds as if you may be busy dealing with it for some time to come. That possibility, combined with my business travel schedule over the next month or so, led me to write this letter. With it I've enclosed a copy of a list that I believe you compiled for the HSCA's 10th reunion in March 1987. Will you be kind enough to cross off the names of people who worked solely on the Martin Luther King case and return the list to me in the enclosed envelope along with a list of any names, addresses, and telephone numbers you have in your personal records. If you can identify any names not on the 1987 list, or if you can suggest others who may be able to assist us in locating former HSCA staff, I would appreciate receiving a letter about that as well.

Thank you for replying at your earliest convenience as circumstances allow.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
