Dear Ms. Godfrey:

I am writing to follow up on my letter to you dated July 11 concerning the HSCA reunion staff list. I do not mean to rush you in the event you are still dealing with the medical emergency you mentioned in your message of July 10. I did want you to know I am trying to put together the list with current addresses and telephone numbers for those staff members and consultants who worked on the John F. Kennedy part of the Committee's work as soon as possible so that other tasks associated with the list may be completed in a timely manner.

Thank you for sending this along. I've enclosed another HSCA reunion list and a stamped, self-addressed envelope for your use. Will you please send me the list with the names of any staff who worked *solely* on the King assassination investigation crossed out. If any staff members worked on both the King and the Kennedy cases, please do not cross out their names. Please also send me the last known address and telephone numbers for as many staff members as possible. This will enable me to complete this task much more efficiently.

Thank you again for your time and assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
