Dear Professor Goldsmith:

Please make any changes at your earliest convenience to the affidavit I faxed to you last Friday afternoon and fax it back to me at 202/724-0457. I will then prepare a final version of the affidavit and will mail it to you for your signature and notarization. Please return it to me as quickly as possible.

On a different issue, I will be writing to you in the near future to again seek your assistance and recollections concerning your work to find the original Orville Nix film of the assassination when you were Staff Counsel for the House Select Committee on Assassinations.

On behalf of the entire Review Board, thank you once again for your ongoing cooperation and assistance with our work.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
