Dear Mr. Grevemberg:

This letter is to follow-up on our meeting on May 15 and my several telephone calls and letters to you concerning the photographs of Lee Harvey Oswald, David Ferrie, and related Civil Air Patrol and New Orleans activities which you have in your files at home. I understand from you that you obtained these photos (which date from the 1950's) through your work as a New Orleans police officer assigned to the Intelligence Division in the 1960's.

I recently met Ashton Crossen in Gretna, Louisiana. He assured me you are interested in preserving the important part of history you possess and urged me to recontact you about finding the photographs and other records before instituting other procedures to obtain these records. The Review Board would appreciate it if you could make a concerted effort at this time to locate these photos and arrange a donation arrangement with the John F. Kennedy Records Collection.

I look forward to hearing from you on a timely basis. Thank you for your assistance.

Sincerely,

Anne Buttimer, Esq.
