Dear Paul:

Thank you for your letter and enclosures of July 8 which arrived here last Friday. I have made copies of the same and given them to Jeremy Gunn, Mary McAuliffe, and Phil Golrick because Jeremy and his team handle all federal records when the inquiry for the records can be made directly to a federal agency. I get involved with federal records when there is a need to conduct some level of intermediate investigation to locate a person, etc., as is the case with the other matter you and I have recently talked about, and which I am very actively pursuing.

Please feel free to call or write me anytime, however, because I am happy to speak with you anytime. Thank you for your continuing interest in and assistance with the Review Board's work.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
