Dear Ms. Knez:

I am writing on behalf of the Assassination Records Review Board and staff to express our appreciation for the outstanding work we've received this week from Alex Treadaway, Cherrie Pesce, and the rest of their team.

My brief association with FINCEN, especially with Ms. Pesce, has been cordial and productive. The response we've received this past week, however, when I "flooded" the team with over 50 information requests and then added four more names to the list on an 'expedite, quickest possible priority' basis, resulted in a turnaround of positive information in a matter of hours. This very quick response enabled the Review Board to proceed in a crucial area with its search for assassination-related records.

Please extend my thanks for a job very well done to Mr. Treadaway, Ms. Pesce, and the other staff members who assisted in this work. I look forward to the Review Board continuing our productive relationship with the staff of FINCEN.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
