Dear Mrs. Knudsen:

It was a pleasure to meet with you and your family and to discuss your husband's impressive career as official White House photographer.

The information you provided will assist the Review Board in carrying out its mandate to identify, locate, and make available all records pertaining to President Kennedy's assassination.

On behalf of the Review Board, I want to express my appreciation for your assistance. Please contact me at ext. 258 if you have any questions or comments, or if your memory is further refreshed regarding your husband's work. I look forward to speaking with you again.

Sincerely,
