Dear Jim:

I am writing to follow up on my letter of July 7 concerning the original Nix film. During our May 11 meeting you mentioned that you had done some work on this case. I would appreciate any suggestions or leads you can provide. No piece of information is too small for me to consider in my inquiry to determine where the original film is currently located.

I've also asked Kevin Walsh for any assistance he can lend from his investigation of the matter.

Thank you for replying at your earliest convenience.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
