Dear Mr. Livingston:

It was a pleasure to speak with you yesterday about the John F. Kennedy Assassination Records Review Board. I apologize for the delay in getting this letter and information packet to you.

The photographs and artifacts of the assassination you obtained from the Dallas Police Crime Laboratory while you worked there are of interest to the Review Board. I would appreciate the opportunity to speak with you further about the historic importance of preserving these records. I would like to contact you again after you've had a chance to read the enclosed material.

On behalf of the Review Board, I appreciate your interest in assisting our efforts to add records to the JFK Collection. I will call you in about a week to discuss this matter further and to answer any questions you may have. Thank you.

Sincerely,

David R. Montague  
Investigator
