Dear Mr. McCarthy:

In connection with our recent conversation about the Kennedy assassination and your activities as part of United Press International during 1962-1963, I am enclosing a copy of our legislation and some explanatory material. In addition, I thank you for the Review's Copy of your book "Working Press" which will aid our efforts.

As I mentioned, we are interested in any relevant information or records you might have. We are appreciative of your assistance thus far and someone from our staff may contact you in the near future with more questions. In the meantime, please feel free to call me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
