Dear Mr. Pineda and Ms. Kearton:

I am writing to follow up on your facsimile to David Marwell of July 17, 1995, concerning your information that Farris Rookstool has the "backyard photo" of Lee Harvey Oswald and possibly other assassination records.

As the Review Board's Chief Investigator, I am responsible for locating and obtaining all assassination records resting in private hands. Will you please send me the three articles you wrote for PROBE, as well as your underlying research on the topic of the photograph or other potential assassination records. Any assistance you are able to lend in this area will not only be greatly appreciated but will also assist me greatly in conducting a more efficient investigation of this matter.

I look forward to receiving these materials at your earliest convenience. Please do not hesitate to call me at extension 229 if you have any questions. Thank you again for your time and assistance.

Sincerely,

Anne Buttimer, Esq.  
Chief Investigator
