Dear Dr. Rhoads:

In connection with our recent conversation about your activities associated with the transfer of President Kennedy's autopsy photographs and x-rays to the National Archives in the autumn of 1966, I am enclosing a copy of our legislation and some explanatory material.

We appreciate your desire to assist the Review Board's efforts, and we are interested in any relevant information or records you might have. A member of our staff will contact you in the near future in order to conduct another interview. In the meantime, please feel free to call me at ext. 258 if you have any questions or comments about this material.

Sincerely,

David R. Montague
Senior Investigator
