Mr. Dick Russell

Boston, Massachusetts 02119

Dear Mr. Russell:

Thank you again for taking the time to speak with me by telephone on Monday concerning your offer to make copies of H. L. Hunt family assassination-related records available to the JFK Collection. I understand from our conversation that you will speak with an attorney within the next two weeks concerning this matter. I will call you two weeks from today to finalize the transfer of the records.

We also discussed the fact that you want to give photocopies of the records to the JFK Collection. I explained that our usual procedure is to ship the documents to the Review Board's offices in Washington via Federal Express. The documents will be photocopied here and we will return your originals to you via Federal Express.

Enclosed please find a copy of the Review Board's "fact sheet." If either you or your attorney would like a copy of our legislation, or if you or your attorney would like to discuss this matter with me further before our telephone call of September 11, please do not hesitate to call me at ext. 229.

Thank you for your cooperation. I look forward to speaking with you again soon.

Sincerely,

Anne Buttimer, Esq.  
Chief Investigator
