Dear Mr. Shinley:

Thank you for your letter of August 3, 1995. To answer your questions, yes, the ARRB received your letters dated December 1, 1994; December 8, 1994; and December 14, 1994; as well as your February 27, 1995, letter. I checked the file and found that our Associate Director for Communications, Mr. Tom Samoluk, responded to each of your letters on a timely basis. I hope you received his letters. I have also seen your letters with the suggestions for records you raised in each one, and thank you for bringing these to the Review Board's attention. Where appropriate, I have included your suggestions into ongoing and/or upcoming records searches.

Please send any additional information about these or other assassination records at your convenience. Thank you again for your interest in and cooperation with the Review Board's work.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
