Dear Mr. Stubbs:

Thank you for your letter of July 11 which we received today. The two enclosures from the Tulane University collections were very interesting. You are right; 544 Camp Street must have been very thick that spring, to say the least.

I was not aware of the statement Gordon Novell made during his arson trial in the 1970s concerning the shooters and their locations in Dealey Plaza. I would very much like to see it, as it appears to be an assassination-related record. Thank you for your offer to copy his statement and send it to us. I will be happy to receive that at your earliest convenience.

I look forward to doing more work in New Orleans in the coming months and will contact you on my next visit. In the meantime, thank you for your continuing assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
