Dear Mr. Tague:

It was a pleasure to speak with you earlier this week about the John F. Kennedy Assassination Records Review Board. As I explained over the telephone, we are in search of all assassination-related records.

For your information I've enclosed a fact sheet about the Review Board, a copy of our legislation, and a pamphlet written by the National Archives that describes the JFK Records Collection. Please review and share this information and feel free to contact me at ext. 258 if you or your colleagues have any further questions.

On behalf of the Review Board I appreciate your interest in assisting our efforts to add records to the JFK Collection. Thank you again for your time. I will follow up with you in about one week.

Sincerely,

David R. Montague
Investigator
