Dear Kevin:

When we met on June 9, you mentioned the original version of the Orville Nix film and the search that his granddaughter has had to recover the film. I am attempting to locate the original and would appreciate any information you can lend in this regard. Thanks for sending over any documents, suggestions, or recommendations you have. I know you had client confidentiality concerns when we last spoke about this. Please ask your client to release any confidentiality concerns she has in order that you can assist the Board in this matter. I would be happy to speak to her if you would like.

Thank you for your reply and assistance.

Sincerely,

Anne Buttimer, Esq.
Chief Investigator
