FACSIMI LE

The enclosed are copies of the memoranda dated January 22, January 26, and February 8, 1996, regarding the proposed text for cables to Tokyo, Paris, London, Moscow, and Belarus, about which we spoke this morning.

I will also place these in the mail today.

If you have anything that you wish to discuss before David Marwell's return to the office on February 27, please call Jeremy Gunn at extension 226.
