Mr. Daniel R. Moll
Deputy Staff Director
Committee on Government Reform and Oversight
House of Representatives
2157 Rayburn House Office Building
Washington, D.C. 20515

Dear Mr. Moll:

Thank you for taking the time to meet with Tom Samoluk and me regarding the work of the Review Board and our request for a one-year extension. We appreciate your taking the time from other matters to discuss the Board's situation with us.

As Tom and I mentioned at the meeting on Thursday, the Board's review of the remaining FBI and CIA records is critical to our efforts to complete the JFK Collection at the National Archives. The additional year will allow the Board to reach a confident conclusion of its activities and to submit a complete final report to the Congress.

Again, thank you for your time and interest in the Review Board. Please do not hesitate to contact Tom or me at 724-0088 if we can answer any other questions or provide additional information.

Sincerely,

David G. Marwell
Executive Director
