Dear Mr. Nashorn:

Thank you for your letter of October 9, 1996.

I am sure that you will understand my reluctance to agree to the destruction of the incoming messages to the Pentagon Telecommunications Center for the years 1963-1964. Although I understand that the content of this collection is duplicated in another series, the arrangement by message number could prove useful to future researchers.

Sincerely,

David G. Marwell
Executive Director
