Dear Mr. Salem:

Thank you very much for your interest in the position of General Counsel of the Assassination Records Review Board. I enjoyed meeting you and was impressed with your background and credentials.

Unfortunately, we are unable to offer you the position. We have decided to appoint Mr. T. Jeremy Gunn, who has served in the position in an acting capacity since June.

Again, many thanks for your interest.

Sincerely,

David G. Marwell  
Executive Director
