Dear Mr. Schaffner:

Thank you for taking the time to meet with Tom Samoluk and me on Thursday to discuss the future of the Review Board. We appreciate that the Board's situation is but one of many issues that are currently pending before the Committee and require your attention.

The meeting was an important opportunity for us to explain in more detail what would be accomplished by the Board with an additional year. We benefited from being able to brief you in person and answer your questions. I hope that the meeting was helpful to you.

Again, thank you for taking the time to meet with us. We look forward to working with you to ensure that the Board completes its work. Please do not hesitate to contact Tom or me at 724-0088 if there is anything else we can do at this time.

Sincerely,

David G. Marwell
Executive Director
