1705 Longworth House Office Building

Dear Mr. Statler:

Thank you for taking the time to meet with Tom Samoluk and me on Thursday to discuss the future of the Review Board. We appreciate that the Board's situation is but one of many issues that are currently pending before the subcommittee that require your attention.

The meeting was an important opportunity for us to explain in more detail what the Board would accomplish with an additional year. We appreciated the opportunity to answer your questions and to address any concerns that members of the subcommittee may have about extending the Board. I hope that it was helpful to you.

Again, thank you for your time and interest in the future of the Board. We look forward to working with you. Please do not hesitate to contact Tom or me at 724-0088 if we can answer any other questions or provide additional information.

Sincerely,

David G. Marwell
Executive Director
