*Dear Dr. Battocletti:*

*This is a follow-up to my letter of September 13, 1995 regarding your interest in the death certificate of President Kennedy completed by William Kemp Clark, M.D., at Parkland Memorial Hospital on November 22, 1963.*

*I have enclosed a copy of the death certificate completed by Dr. Clark for your information. As a result of an inquiry made by a member of the Review Board staff to the National Archives staff at their College Park, Maryland facility, a copy of the death certificate was located in the Medical Reports section of the Secret Service documents at College Park. The document which was located was a copy from which the enclosed copy was made. At this time, the original death certificate has not been located. It is our intention to continue to pursue the original document.*

*For your information, I have also enclosed a copy of another death certificate which was located at the National Archives. It was completed in Dallas, Texas and is signed by Theresa Ward, Justice of the Peace. It is dated December 6, 1963.*

*I hope this information is of interest to you. We will continue to keep you apprised of any new information which is developed by the Review Board.*

Sincerely,

Thomas E. Samoluk, Esq.  
Associate Director for Communications
