Dear Mr. Larsson:

Thank you for your recent letter to the Assassination Records Review Board. The information which you provided will be carefully reviewed.

Please be assured that the Review Board is committed to ensuring the broadest possible release of records related to the assassination of President John F. Kennedy. Although it is not our responsibility under the law to answer any questions that remain concerning the assassination and its aftermath, it is our duty to do our best to find all of the remaining records and secure them at the National Archives so that the public has full access to them.

Again, thank you for your interest in the Review Board and for the kind words. I appreciate your taking the time to provide the information.

Sincerely,

Thomas E. Samoluk, Esq.
